INFORMATION DISCLOSURE STATEMENT

Dear Sir:

In connection with the above-entitled matter, Applicants hereby attach U.S. Patent Office Form PTOL-1449, including copies of the prior art references listed therein. The references were cited in the International Preliminary Examination Report of co-related PCT Patent application. A copy of the International Preliminary Examination Report is enclosed. Enclosed also is a copy of a Swedish Office Action dated November 11, 1998 of the underlying Swedish patent application together with an English translation of the relevant portions thereof. Also enclosed are copies of references cited in the Applicants' related US Patent Application Serial Nos. 09/000,134; 09/491,020. The claims in the present application are believed to be patentably distinguished over these references.

This information disclosure statement is being made pursuant to the duty of disclosure imposed by law and formulated in 37 CFR 1.56(A). No representation is made that the information thus disclosed in fact constitute prior art or that it is the closest prior art, inasmuch as 37 CFR 1.56(A) relies on a materiality concept which depends on subjectivity.
